

Ibis

collezione 2013
2013 collection

Linee sinuose si rincorrono dando vita a una forma naturale che, idealmente, ricorda un ramo sulla quale si è appoggiato l'Ibis, uccello americano dal piumaggio rosso come il tramonto.

Sinuous lines chase each other creating a natural form that, ideally, is reminiscent of a branch on which it is appoggiato the Ibis, American bird plumage red as the sunset.
